## **The Principal's Weekly Message**

Dear Pine Valley Families, Students, and Staff:

### **Repost- Lost and Found**

Is your child missing a jacket? Water bottle? A shoe? Our lost and found is abundant. Beginning next week, we will place the lost and found items outside of the front gates. Please check for missing items by Friday, **May 13th**. We will donate the items to a local charity the following week.

### **Teacher Appreciation Week – thank you, PTA**

The staff and I thank all of the families that planned a Monday morning donut and coffee and then an amazing lunch on Friday. We all felt loved and appreciated. Thank you for continuing to support us throughout the year. If there was a way to give you all a “hug” through email – I would.

### **Repost- Math Advancement Program - Registration**

Registration for the SRVUSD Math Advancement Program is open for incoming grade 6th - 8th grade students from May 3-10. This is an opportunity to take Course 2 or Course 3 over the summer in order to advance in math for next school year. We strongly encourage you to speak to your student's current math teacher or counselor to determine your student's readiness to be successful in advanced math classes. Please see the SRVUSD math page for more information and click on the blue "2022 Summer Math Advancement Program Parent Information" button to register.

## Remembering Passwords Over Summer

Parents, please encourage your students to Enroll in our [Password Portal](#) with their cell phone number. This will allow them to reset their password in August if they happen to forget it. The more we can do now to make it easier for them in August the better.
